Members of the public
<b>Controls in place</b>
Floor markings will be positioned inside the premises to facilitate compliance with current physical distancing advice, particularly in the most crowded areas, such as serving counters and tills.
Tables and chairs will be set out to provide the current recommended gap between seated customers/groups inside and outside of the premises.
No physical queuing system; guests to details to host and will be contacted once table is available
Door staff are to regulate the number of people within the building with a one in, one out rule to be operated when full occupancy capacity is reached
The occupancy level of the business is to be reviewed to allow for adequate physical distancing to be achieved and determined and a record of this number kept.
Signage is to be placed at the entrance door to advise customers of physical distancing rules within the premises
Only one point of access of entry/exit. Floor signage will be in place to assist on social distancing.
The layout of the floor will be adjusted and the number of tables and chairs within the premises reduced to allow for appropriate physical distancing to be achieved.
Signage shall be placed throughout the premises to remind customers of the need to maintain a physical gap to current recommended distances between social groups
Where physical distancing cannot easily be achieved then mitigating controls will be set in place to reduce the risk of face to face seating of different social groups e.g. tables layout, screens etc.
