Assessed By	Clara Peseiro Mocinho

Task	Completed date of assessment
COVID-19 Risk Assessment 13 - Outdoor seating	02-10-2020

COVID-19 Risk Assessment 13 - Outdoor seating
Hazards?
Infection spread by staff with symptoms of COVID-19
Infection spread by customers with COVID-19
Infection spread from surfaces and equipment infected with COVID-19
Who might be harmed and how?
Customers
Staff
Suppliers
Visitors
Controls in place
Customers will be encouraged to use contactless payments where possible, without disadvantaging older or vulnerable customers.
Physical distancing measures will be in place to permit customers and social groups to physically distance whilst using outdoor seating
Notices will be displayed detailing the rules in place to prevent the risks of infection from COVID-19 at outdoor seating areas including numbers of households permitted to sit together
Customers exhibiting symptoms of COVID-19 will be politely asked to leave the premises for the safety of others.
Hand sanitiser stations will be positioned at the entrance to the external seating area with a notice requesting that customers sanitise their hands before sitting
All tables will be completely cleared before customers are seated. Cutlery, sauces etc. will not be available at the tables. Tables will be clear of any sundry items such as table talkers etc.
Staff interaction with customers will be limited, for example table check backs will be suspended.
Menu's will be single use, disposable copy only. Where possible mobile phone app use will be encouraged for ordering and menu choices. Digital solutions will include menu allergen information
Staff will take drinks and food to tables using trays where necessary. Trays will be left on the table for customers to distribute drinks around their table. Staff will exhibit good manual handling techniques whilst carrying trays of drinks
Trays used to carry drinks and food to tables will be cleaned and sanitised between uses
Trays will be used to remove empty glasses and dirty plates from tables. Such items will be removed from tables ideally when the table is vacated. Staff will not reach across occupied table to remove empty glasses/dirty crockery
